

THE PENN TOWNSHIP CAMPUS LANDSCAPING BEAUTIFICATION PROJECT:
EXHIBITING THE SPIRIT OF VOLUNTEERISM

A special thanks goes out to ***Eagle Scout Ryan Wood*** and other volunteers from ***Boy Scout Troop 47 of Manheim*** for all their hard work back in October 2010, giving the Township Building's frontage much better curb appeal.

The generosity of the following local businesses helped make this project a reality with their donations of plants and materials:

Dave's Lawn and Garden, Erb Brothers Landscaping, Esbenshades Greenhouse, Garman's Mulch, Martin's Greenhouse, Penn Valley Farms, & Stauffers of Kissel Hill
