Re: Pension Plan – Proposal for Actuarial Services

Dear Mark:

In response to your RFP, enclosed please find six copies of our proposal. You will see that my partner, John Vargo, is identified as your consultant. John has over 20 years of experience with Act 205 plans. You may remember working with John on a post-retirement medical project at East Cocalico Township.

Please contact John or I if there are questions regarding this proposal. We look forward to hearing from you.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Tom Zimmerman", is written over a light blue horizontal line.

## & Professional Staff

### Minimum Qualifications

**Conrad Siegel Actuaries** is an independently-owned firm based in Harrisburg for over 50 years. We work with hundreds of Pennsylvania municipalities and corporations. The municipal clients include boroughs, townships, regional police forces, and large Third Class Cities. Our formula for success is rooted in our actuarial expertise and our clients' satisfaction with the quality of service we provide.

### Independent, Objective Advice

- Committed to providing objective, unbiased advice.
- Using sound actuarial principles.
- Ownership of firm is distributed approximately evenly among 18 consultants. We are organized as a Pennsylvania Corporation.

### Proactive, Cost-Effective Solutions

- Continuously monitor actuarial assumptions and methods, taking into consideration current demographics and economic trends.
- Assessing funding strategies for both current and future years to provide you with the most cost-effective solutions to match your goals with your employees' needs.
- With 100 professionals, including over 20 actuaries, we are one of the 25 largest actuarial firms in the United States measured by number of actuaries on staff.
- Anticipating issues before they develop into problems.

### Precision

- Timely and accurate reports.
- A professional staff that pays attention to the details for you.
- In-house legal counsel and compliance committee designed to ensure compliance with reporting requirements and plan operation.

### Municipal Expertise

- Provide actuarial services to approximately 275 Pennsylvania municipal pension plans that are covered by Act 205.
- We are one of two actuaries who serve as a consultant to the Public Employee Retirement Commission. In this role, we provide actuarial notes on proposed bills that pass through the State legislature. We also consult from time to time with the Municipal Pension Department of the Auditor General's office. We have close contacts within both of these agencies and are often able to cut through the red tape to help our clients address specific issues.
- In-house systems personnel and technology—we own and maintain our own computer systems—offering the flexibility to make modifications as necessary in response to your needs and changes in regulations.
- We are a local firm with the resources and expertise of a large national firm.

**Our mission is to provide excellent, independent, professional actuarial consulting, employee benefit consulting, and employee benefit administration services to our clients.**

### Experience With Pennsylvania Municipal Retirement Plans

#### 1. Actuaries and Actuarial Staff:

- a. Principal Actuary: Identify the principal actuary by name and give the year such actuary became an enrolled actuary under Section 3042 of the Employees' Retirement Income Security Act of 1974 and the number of years of experience with Pennsylvania municipal retirement plans. Also, indicate the number of Pennsylvania municipal retirement plans, and retirement plans in general, for which the principal actuary has primary client responsibility.

**Conrad Siegel Actuaries** has unmatched actuarial depth and experience. Our five fully-accredited Fellows of the Society of Actuaries have over 100 years of combined PA Municipal expertise. One of the advantages of working with **Conrad Siegel Actuaries** is that all services are provided from one office with no outside consultants. The principal actuary assigned to this engagement will be John Vargo, F.S.A. John became an Enrolled Actuary under ERISA in 2001. He has over 20 years of experience with Pennsylvania municipal retirement plans and is the principal actuary with primary client responsibility for 70 municipal plans. John is proficient in providing actuarial services under Act 205 and Act 600 as well as providing special consulting expertise in preparing actuarial benefit cost studies, assistance with the collective bargaining process, providing testimony in Act 111 arbitrations, and the accounting for Pensions under GASB 67 and GASB 68.

- b. Identify other actuaries employed by the actuarial consulting firm who are certified to perform actuarial services under Act 205 and the number of years of experience with Pennsylvania municipal retirement plans.

In addition to John Vargo, the following actuaries are certified to perform actuarial services under Act 205:

- David H. Killick, F.S.A., has over 30 years of experience with Pennsylvania municipal retirement plans.
- Jeffrey S. Myers, F.S.A., has over 30 years of experience with Pennsylvania municipal retirement plans.
- Thomas L. Zimmerman, F.S.A., has over 30 years of experience with Pennsylvania municipal retirement plans.
- Ashley A. Wise, F.S.A., has over 10 years of experience with Pennsylvania municipal retirement plans.

- c. Provide the total number of enrolled actuaries employed by the actuarial consulting firm.

**Conrad Siegel Actuaries** is proud to have one of the largest concentrations of enrolled actuaries in one location with 18 of our team members having attained the designation of enrolled actuary.

- d. Provide the number of actuarial support staff who perform actuarial calculations for Pennsylvania municipal retirement plans.

**Conrad Siegel Actuaries** has 20 professionals who provide actuarial support and actuarial calculations for Pennsylvania municipal retirement plans. Many of these individuals are enrolled

actuaries or in the process of sitting for actuarial exams in order to become fully accredited actuaries.

- e. We do not use any advisors or subcontractors. All of our Act 205 and pension administration work is performed by employees of **Conrad Siegel Actuaries**.
- f. We have intimate knowledge of Act 205, having worked with it extensively since its adoption in 1984. In fact, our founder, Conrad Siegel, assisted the State authorities in drafting this funding law. Act 205 governs the funding of all the 275 Pennsylvania municipal pension plans for which we serve as actuary.
- g. Your contact person will be the principal actuary, John Vargo.

## 2. Firm History and Operations

- a & b. For how many years has the firm been providing actuarial services to Pennsylvania Municipal Retirement Plans?

We have been providing actuarial services to Pennsylvania Municipal Retirement Plans since our inception in 1963.

- c. For how many Pennsylvania Municipal Retirement Plans is your firm currently providing actuarial services?

We provide actuarial services to approximately 275 Pennsylvania municipal pension plans that are covered by Act 205.

- d. From what office location will the firm provide actuarial services to the Township's pension plan?  
All services will be provided in our Harrisburg, PA office.

- e. Describe the ownership structure of the firm, including the relationships of each branch office to the branch offices and to the headquarters. Identify the individual or individuals who have overall responsibility for the firm's operations.

We have only one office. Ownership of the firm is distributed approximately evenly among 18 consultants. The operations of **Conrad Siegel Actuaries** are nearly entirely focused on retirement plan operations. The structure consists of the following:

- Board of Directors made up of the firm's partners
- Management Committee
- Five committees each of which are responsible for leading a specific line of business in the areas of defined benefit plans, defined contribution plans, investment advisory service, health and welfare plans, and postretirement medical benefits
- Three support committees in the areas of human resources, compliance, and information technology

- f. Please describe any material developments in the ownership structure of your organization over the past three years. Describe any planned material changes in your organization in detail.

There have been no material changes in the ownership structure of the firm. There are no future material changes expected.

## & Professional Staff

- g. If the client contact person is other than the actuary, please identify who will be the client contact person on the account?

The client contact will be the Consulting Actuary, John Vargo, F.S.A.

## Of Services

### Regular Services

The successful actuarial firm will be required to perform the following actuarial services for the Pension Plan on an annual or biennial basis:

We enjoy an unparalleled reputation for providing quality service and prompt responses to our clients' inquiries. You will have one contact person—an experienced consulting actuary—who will provide you with personalized service and assist you with your day-to-day questions. While pension funding can be

a complicated issue, we have extensive experience in communicating difficult concepts to our clients in an understandable fashion. This level of communication is built on over 50 years of experience in consulting with Pennsylvania municipalities, ranging in size from one employee to hundreds of employees.

**Conrad Siegel Actuaries** combines knowledgeable staff and in-house systems personnel and technology to offer the following comprehensive actuarial services.

### Services for the Penn Township Non-Uniformed Employees Pension Plan:

1. Prepare the actuarial valuation reports as of January 1 of each odd-numbered year, beginning January 1, 2017. The reports include benefit information on all members in the plans, as well as plan funding information. The valuation process will include a review of the actuarial assumptions as well as the plan's overall condition.
2. Prepare the Act 205 forms to be submitted to the Public Employee Retirement Commission (now the Auditor General) every other year, beginning January 1, 2017.
3. Prepare annual benefit statements showing benefit information for each member of the plan beginning January 1, 2017.
4. Determine the minimum municipal obligation (MMO) required by Act 205 to be submitted by the Chief Administrative Officer to the governing body by September 30 of each year.
5. Each year, we will prepare a report reflecting the actuarial components needed for your GASB 67 & 68 statements.
6. We will review and comment on form AG-385, initially prepared by the Township.
7. Assist the Township in determining pension benefits for retired and terminated members.
8. We will provide other assistance as required or requested by the Township Manager and the Board of Supervisors.

### Additional Services

**Conrad Siegel Actuarial** is also able to perform many additional services for the Township's plans. The list below is a sample of what we can offer:

1. Inform the Township of legislative and regulatory changes that may be applicable to the plans.
2. Provide actuarial studies for benefit cost estimates and additional actuarial services upon the request of the Township.
3. Provide the necessary documentation or actuarial testimony during labor negotiations, and assist with arbitration if needed.
4. Prepare (or assist the solicitor in preparing) plan documents including amendments, Summary Plan Descriptions, and ordinances or resolutions as needed by the Township.
5. Provide assistance and attend meetings as requested by Township Officials.
