Final 2022 Fiscal Budget

December 27, 2021

PENN TOWNSHIP

LANCASTER COUNTY, PA

December 27, 2021

Dear Citizens:

On behalf of the Penn Township Board of Supervisors and staff, we are pleased to present the **Proposed 2022 Fiscal Budget**. This plan reflects our commitment to effectively and efficiently providing township services, responsibly maintaining and improving our infrastructure, protecting our natural resources, managing appropriate rates of growth and development, meeting funded and unfunded mandates, and embracing our organizational mission to preserve and respect our past while building and sustaining a better long-term future for our community.

The Proposed 2022 budget has **no** millage rate increase and no increases in the various user fees charged by the township.

General fund revenues are expected to decrease 1 percent (\$64,096) and expenses are to increase 3.8 percent (\$179,888) compared to 2021, as described on the following pages. Typically, the budget shows such a disparity but it often does not occur with an imbalance because of the conservative estimates used. The budget is a plan for the long-term maintenance of its fixed and other assets including roadways, parks, buildings, vehicles, and equipment.

The budget consists of the following operating, special purpose, and reserve funds:

General Fund operating

Parks and Recreation Fund special purpose Storm Water Management Fund special purpose

Sewer and Water Fund operating

Agricultural Preserve Fund special purpose

Street Improvement Fund operating Capital Reserve Fund reserve

Highway Aid Fund special purpose
American Rescue Plan (new) special purpose

Supplemental items are included to provide a better understanding of the budget to the reader, including: narratives for the General Fund and Sewer and Water Fund (the township's two primary operating accounts) and a debt review statement. We hope you find these items useful.

The budget is one of the township's most fundamental policy documents. It should, therefore be able to communicate a clear policy direction that various constituents can understand how the township serves its citizens.

If you have questions on the proposed budget or another township matter, please contact Mark Hiester at (717) 665-4508. Thank you for your interest, we look forward to serving you.

Background

With the 2020 Census, the township reached a population of 10,210, from a 2010 population of 8,789. This 16 percent increase (1,421 people) makes the township the second fastest growing municipality of 67 in the county over that period. This growth puts an increasing demand on township services and provides increased revenue to the township:

General Fund

Year	Actual Revenue	Actual Expenses	Population	Revenue/Person	Expense/Person
2020	\$4,205,994	\$4,835,819	10,210	\$412	\$474
2010	\$3,537,764	\$3,603,870	8,789	\$403	\$410
Difference	\$668,230	\$1,231,949	1,421	\$9	\$64

Of course, the above comparison does not include an accounting of liabilities like depreciating assets. So, it may only reflect a superficial likeness of the two years about a decade apart.

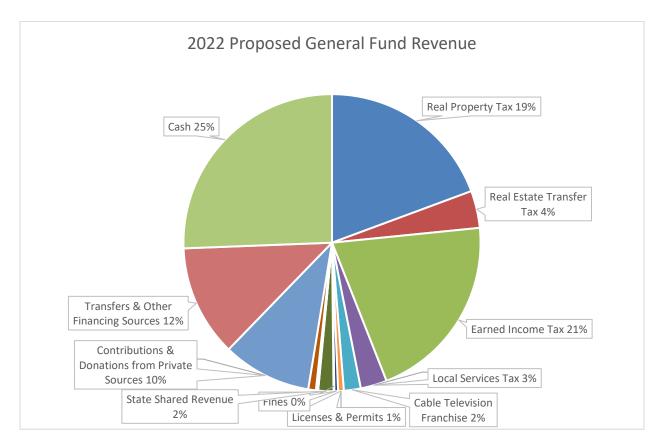

Primary assumptions used in developing the proposed 2022 budget projections include:

- 1. Past trends.
- 2. Existing agreements.
- 3. A higher general inflation rate of 5.4 percent over the last year, after a year of deflation.
- 5. Mandates for services.
- 4. Other service demands.
- 5. County and local economic growth.
- 6. Improving the timing of needed repairs and maintenance to reduce cost impact over time.

To prepare for longer term capital costs, the township has started some multi-year capital expense planning. This work is expected to reduce surprise costs and smooth out annual expense rates year-to-year.

The township has been granted at least \$1,043,780 in federal American Rescue Plan monies in 2021 and 2022. A new budget and fund are included in 2022 for the disposition of those funds to qualifying expenses. This is on top of \$120,492 granted in federal Cares Act funds from the county to the township late in the 2020 year.

General Fund Summary

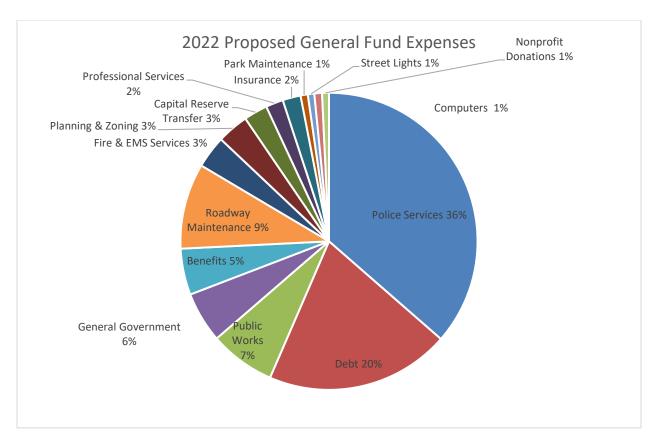

The proposed 2022 budget does not call for an increase in the real estate tax rate for the 2022 year. The current millage rate is 1.432601. The Township has maintained the equivalent, through a county reassessment, of this millage rate since 2014. The township real estate tax, for a property assessed at \$100,000 is \$143.26. This is about 8 percent of the total real estate taxes paid on each taxable property; the other 12 percent is from the county tax and 80 percent from the Manheim Central School District tax.

We expect general fund revenues to be 1 percent (\$64,095) lower in 2022 than in 2021. Reduced revenue is expected from real estate tax (-0.65 percent), pension state aid (-6.2 percent), insurance dividends (62 percent), and the local services tax is projected to be flat.

A proposed transfer of \$137,751 from the Capital Reserve Fund to the Street Improvement Fund will be used for transportation projects and grant matches.

Other revenue not budgeted is the Manheim Commons plan dedication of recreation fee of \$305,543 because it will be paid in with each zoning permit for a proposed apartment building, possibly in different budget years.

Overall expenses are increasing 3.8 percent (\$178,996).

Northern Lancaster County Regional Police Department. The township's share of the NLCRPD operation costs in any year is 40 percent of the total for three charter municipalities (Clay, Penn, and Warwick Townships). Charter municipal payments are increasing 8.5 percent in 2022.

Debt payment is increasing \$149,006 according to schedule, due to increased sewer and water system obligations. Fire and EMS nonprofit donations are increasing at least 3 percent each. Wages are increasing an average of 3.7 percent.

Health insurance is increasing 2.2 percent (\$5,300) to \$256,031. MAWSA (Manheim Area Water and Sewer Authority) hydrant fees are increasing 35 percent (\$2,489).

Purchases

\$20,000 for our township's share of a Manheim Central Region Comprehensive Plan, \$6,260 for 3 desktop computers.

Reimbursement Grants Approved (\$1,651,000 in revenue to be received)

1. \$200,000 National Fish and Wildlife Fund grant for part of a \$310,000 stormwater project. Penn Township's \$68,783 share of a total \$110,200 match with Rapho Township. Our match share could be paid out of American Rescue Plan federal funds.

- 2. \$402,000 Pennsylvania Growing Greener grant for part of a \$482,500 stormwater project. The \$80,500 township match could be paid out of American Rescue Plan federal funds.
- 3. \$1,049,000 PennDOT Multimodal grant for the Fruitville Pike Intersection Project.

Road Maintenance Projects

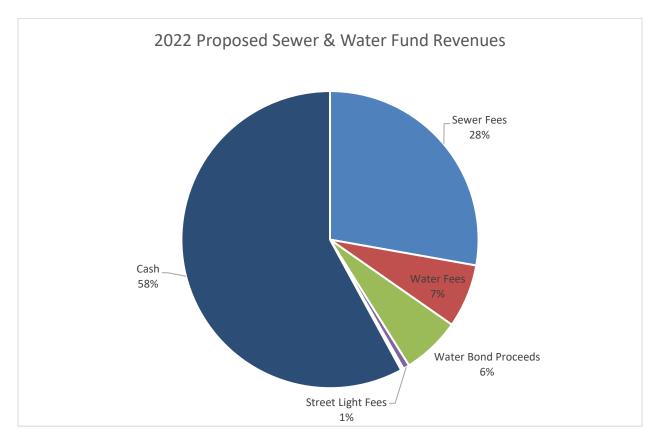

- 1. Sumac Road 1/2-inch sealcoat.
- 2. Airy Hill Road (North Penryn Road to Speedwell Forge Road) 1/2-inch sealcoat.
- 3. Dead End Road.
- 4. Mt. Hope Road 1/2-inch sealcoat.
- 5. Mt. Hope Road (dead end) 1/2-inch sealcoat.
- 6. Westview Drive 1/4-inch sealcoat.
- 7. Hillcrest Drive 1/4-inch sealcoat.
- 8. Sunset Avenue 1/4-inch sealcoat.
- 9. Marie Avenue 1/4-inch sealcoat.

Road Construction Projects

- 1. Fruitville Pike, Temperance Hill Road, and Holly Tree Road Intersection traffic signals, capped public sewer, drainage and related work.
- 2. Elm Road Pipe (Newport to Brooklawn Road).
- 3. Cool Springs Road 9.5 MM Scratch and overlay (North Penryn Road to Meadow Road).
- 4. Meadow Road 9.5 MM Scratch and overlay (Cool Spring Road to Newport Road).
- 5. Fairview Road 9.5 MM Scratch and overlay (Meadow Road to Elm Road).

Road maintenance and construction projects performed with a \$1,049,000 reimbursement grant, a \$721,578 loan, \$658,490 in developer contributions, and \$364,440 of state liquid fuel and turnback state funds.

Sewer and Water Fund Summary

Street lights fees are included because it is convenient to add them to sewer or water bills. The fees are transferred to the general fund.

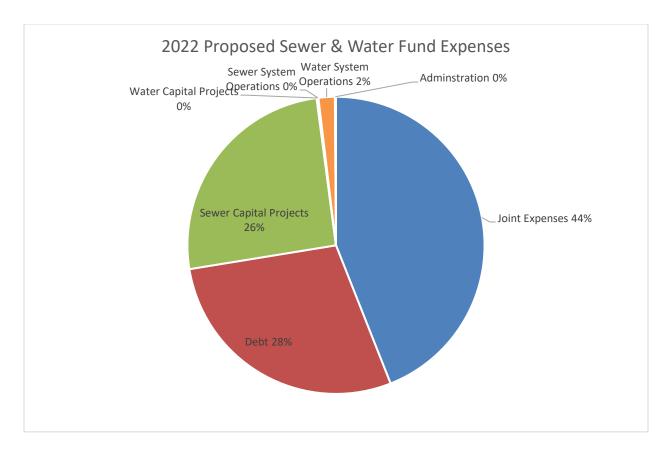

Sanitary Sewer Tap Fee, \$5,250 per EDU (Equivalent Dwelling Unit-233.10 gallons per day).

Potable Water Tap Fee, \$2,675 per EDU (168.35 gallons per day).

A tap fee is required for each final dwelling unit, commercial establishment, educational establishment, industrial establishment, and institutional establishment.

A quarterly sewer bill will be the result of a \$46.81 flat usage fee and an \$8.20 fee per 1,000 gallons of sewer treated. In those cases where a meter is not installed or not functioning, a flat rate of \$219.01 per quarter per EDU will be charged.

A quarterly water bill will be the result of a \$23.48 flat usage fee and a \$4.40 fee per 1,000 gallons of water used. In those cases where a meter is not installed or not functioning, a flat rate of \$89.48 per quarter per EDU will be charged; different fees in the MAWSA Service Area.

Joint expenses include paying Inframark to operate the sewer and water systems.

Projects:

- 1. Replace WWTP Effluent Flow Metering
- 2. Pumping Station #1 Capacity and Upgrade Evaluation
- 3. Fruitville Pike, Temperance Hill Road, Holly Tree Road Area Install Capped Sewers
- 4. WWTF SBR Decanter Service
- 5. Inflow and Infiltration Engineering & Construction
- 6. Sanitary Sewer Easement Clearing
- 7. I&I Engineering & Construction
