One of the permitted conditions is the requirement to collect the following recyclable materials on the same day as your trash pickup: corrugated cardboard, plastic bottles & jugs with necks, metal food & beverage cans, and glass jars & bottles. If your recycling bin is missing or damaged, you can pick up a new one at the municipal building at no cost to you.

Although banned from the recycle bin, many items are still recyclable including newspaper, office paper, magazines, phone books, hard & soft cover books, batteries and plastic bags. Please visit our website at <https://penntwplanco.org/residents-businesses/recycling/> for more information.
