6. Communications: MAWSA Reports
  - Park Hill Drive replacement/extension began this week.
  - PA Route 72 Bridge Project to replace the water main is still awaiting next steps. This is the first time it has been looked at since Tropical Storm Lee moved the bridge in 2011.
  - Went over brief summary of the high storm flow event from 6/30/2025-7/8/2025.
7. Inframark Contract Operations Report: The water treatment plant was fully operational and all water quality parameters were within limits. Raw water Nitrates are significantly higher than what they were this time last year (7.2 parts per million in 2024, 12.0 ppm in 2025). Motioned by Snyder, seconded by Donmoyer, approved 4-0.
8. Engineer’s Report
  - Item 2, Pumping Station No. 1: Becker Engineering provided the PennVEST financing and ARPA grant award documents to both Wickersham Construction in the amount of \$1,428,930.00 and Garden Spot Electric, Inc. in the amount of \$429,950.00. Becker recommend NWLCA authorize execution of the construction contracts. Motioned by Ketcham, seconded by Donmoyer, approved 4-0.
9. Adjournment – motioned by Donmoyer, seconded by Snyder, approved 4-0. Adjourned 7:35 pm.

Donmoyer said he may be away and not be participating in the next authority meeting.
