

Public Water and Public Sewer Service

SEWER / WATER REPAIR PERMIT APPLICATION

Applicant Name: _____ Phone Number: _____

Property Owner: _____ Phone Number: _____

Circle One or More: Applicant – Owner – Contractor Name _____

Contractor Address and Phone Number: _____

Date: _____

Billing Address: _____

On behalf of the Owner of the service location, the applicant hereby requests approval to repair, public sewer / water facilities associated with the premises located at:

_____, Penn Township, Lancaster County, PA.

All work associated with the aforementioned project shall comply with the Authority's rules, regulations, and policies. Applicant assumes responsibility for fees associated with repairs such as: curb, sidewalk, street opening permits (where applicable), and physical connection fees. Any inspections, labor, parts, and materials acquired from the Authority must be reimbursed to NWLCA. For inspections, contact Becker Engineering at 717-295-4975.

With this submission, please include an illustration of proposed work that also indicates the distance between water and sewer lines in relation to the property. Please provide a Certificate of Insurance.

24-hour notice must be given prior to start of construction. Failure to do so may result in fees.

\$60 submittal fee due with application. Applicant shall call PA 811 Dig prior to starting project.
